

4 May 1959

25X1

On behalf of Mr. Dulles, I have read your letter of 16 April 1959 with interest and understand your concern. However, since the problem which you have presented falls within the responsibility of the Office of Civil and Defense Mobilization rather than the Central Intelligence Agency, it is being forwarded to that office for response.

Thank you for your interest.

Sincerely,

Deputy Assistant Director
